**OKLAHOMA BULLETIN NO. OK260-4-1**

**SUBJECT: INF – Distribution of Oklahoma AgrAbility pamphlets**

**Purpose:** To distribute Oklahoma AgrAbility pamphlets

**Expiration Date:** September 30, 2004

Oklahoma AgrAbility provides education, assistance, and support to farmers, ranchers, and their families who have a disability or debilitating injury that limits their ability to perform essential farm tasks.

Oklahoma AgrAbility links agricultural families with a variety of resources to include low-cost modifications to farm, home, equipment and work site operations; and when appropriate, provides technical assistance in making such modifications.

To learn more about Oklahoma AgrAbility, go to <http://www.agrability.okstate.edu/>

Since NRCS field offices have visitors who may need of Oklahoma AgrAbility, we ask that you display the attached Oklahoma AgrAbility's pamphlets where other pamphlets are displayed. If additional pamphlets are needed, contact Merrie Reeder, Disability Emphasis Program Manager, at [Merrie.Reeder@ok.usda.gov](mailto:Merrie.Reeder@ok.usda.gov).
